Application for family reunification of spouses

Contents

This application packet contains two forms:

- Form 1 - *Application for family reunification of spouses in Denmark*
- Form 2 - *Information form for applicant's spouse in Denmark*

Both forms are to be used when applying for family reunification of spouses. 'Family reunification of spouses' should be understood to mean the granting of a residence permit based on:

- marriage, or
- cohabitation.

This application packet also contains a list of the requirements for family reunification for spouses. You can find the list on the last page of this packet.

In the instructions below, the word 'spouse' is used as a general term to refer to a spouse or a cohabiting partner.

Who uses which form?

In order to apply for family reunification of spouses, Form 1 and Form 2 must be submitted.

Form 1 is to be used by the spouse who **does not** currently have the right to reside in Denmark together with his / her spouse. He / she should:

- Fill out Form 1
- Attach required documents
- Submit the application to a Danish diplomatic mission abroad (embassy or consulate general) or to the Danish Immigration Service or the police

Form 2 is to be used by the spouse who already **has** the right to live in Denmark. He / she should:

- Fill out Form 2
- Attach the required documents
- Submit Form 2 to the Danish Immigration Service no later than 14 days after Form 1 has been submitted to a Danish diplomatic mission abroad. If both spouses reside in Denmark, both forms must be submitted together

The specific instructions and the required documents are given on the first page of each form. There is a checklist at the back of the forms that can be used to keep track of whether they have been filled out correctly and whether all the required information has been included.

When can an application be submitted in Denmark?

The applicant can submit the application at a Danish diplomatic mission in his/her country of residence. If the applicant is a legal resident of Denmark, the application may normally be submitted in Denmark. Such is the case if the applicant

- has a valid visa (short term),
- is exempt from visa requirements or
- currently holds a Danish residence permit.

If the application can be submitted in Denmark, this can be done at the Immigration Service's Citizen Service. If the applicant lives outside the Greater Copenhagen area, he/she can also submit the application at the local police station. On www.newtodenmark.dk you can find more information about who can submit an application in Denmark.

Missing information or documents

The Immigration Service may **refuse** an application if it does not include the necessary information or documents, or the processing time may be longer.

Please remember to **use the checklist at the end of both forms** before submitting the application.

Can an applicant work while the application is being processed?

No. Applicants may not work in Denmark while the Immigration Service processes the application for residence permit. If an applicant already has the right to work in Denmark due to another valid residence permit, then the applicant maintains this right.

Family reunification of spouses under EU regulations

If an applicant wishes to apply for family reunification with a Danish citizen under EU regulations, please contact the State Administration.

For more information

More information about the rules governing family reunification of spouses is available at newtodenmark.dk, where you can also find information about processing times. If you have questions when filling out the forms, you can also contact the Danish Immigration Service. See contact information at www.newtodenmark.dk/contact-us.

Service goal for applications for family reunification of spouses

Simple, fully completed applications have a service goal of 3 months. This means that the Immigration Service expects to process the application within a maximum of 3 months. An application is considered simple if it appears that the normal requirements for family reunification are met or, conversely, that a basic requirement is not met – for example if the marriage is invalid.

Complicated applications have a service goal of 5 months. This means that the Immigration Service expects to process the application within a maximum of 5 months. An application is considered complicated if it requires further investigation in order to ascertain if the normal requirements for family reunification of spouses are met.

The service goal is calculated from the time the case is fully completed. A case is considered fully completed when the Immigration Service has received all required information and documentation. Read more about service goals at www.newtodenmark.dk/servicegoals

According to Danish law, the Immigration Service cannot normally give permission for family reunification if it is doubtful whether the marriage / cohabitation has been mutually agreed to by both parties.

If you and your spouse/partner are closely related, the Immigration Service will consider it doubtful that the marriage / cohabitation has been entered into with the consent of both parties, unless special reasons suggest otherwise. Use the space below to state any reasons you believe contradict the assumption that your marriage / cohabitation has not been entered into voluntarily by you and your partner.

Are you and your spouse / cohabiting partner direct descendants of the same grandparents or sibling of a grandparent (This group comprises relations such as the children of grandparents (uncles and aunts), the grandchildren of grandparents (cousins), the great-grandchildren of grandparents (the children of cousins), the children of grandparents' brothers and sisters (cousins of parents) and the grandchildren of grandparents' brothers and sisters (second cousins)) or through stepparents or their relatives?

7. About your marriage

Danish legislation requires that we determine whether:

- Your marriage is valid under Danish laws.
- The marriage is forced.
- The marriage is pro forma, i.e. with the primary reason of obtaining a residence permit for the applicant.

Please note: According to Danish law marriages conducted by proxy (where one or both spouses were not present during the ceremony) are invalid. Marriages conducted by a religious cleric and without legal authority are also considered invalid. Such unions can therefore not be used as a basis for family reunification.

The questions below are intended to help us determine whether your marriage can be claimed as grounds for family reunification. We ask these questions in all applications, and we ask only questions that are relevant for processing an application for family reunification for spouses.

When did you first meet your spouse?

How did you meet your spouse?

If you and your spouse met on the internet, when did you meet for the first time in person?

If you lived together before marrying, state when.

If you have not lived together, please explain how often and under what circumstances you maintain contact with your current spouse.

Did you plan your own wedding? ☐ Yes ☐ No

In order to qualify for a residence permit, you and your spouse/partner must normally have greater ties to Denmark than to any other country. As the applicant, you must normally have visited Denmark before. More about the attachment requirement is available at www.newtodenmark.dk/family.

Have you visited Denmark before (including your current visit, if you are in Denmark)?

☐ Yes ☐ No

If yes, when were you in Denmark (from date – to date):

Have you lived in any other country than your home country for more than six months?

☐ Yes ☐ No

If yes, where (countries) and when?

10. Danish test

PLEASE COMPLETE IN CAPITAL LETTERS

If you receive a residence permit and you later need to have your residence permit extended, it will normally be a condition that you within 6 months after you have registered with the Civil Registration System (CPR) pass a test in Danish (A1 level). The test is an oral examination where you are to answer a number of questions in Danish.

Certain other tests can be taken in lieu of the Danskprøve A1 offered by the immigration authorities. See the full list of approved alternative A1-level tests at www.newtodenmark.dk.

If you already have passed an A1-level test in Danish and you submit documentation, the amount of collateral your spouse must post will only be DKK 31,028.64 (2014-level) instead of DKK 51,714.40 (2014-level).

Have you passed an A1-level test in Danish?

(Please tick the box)

☐ I hereby solemnly swear

- that I live together with my spouse/partner at the shared address given below, and
- that we did not enter into our marriage / cohabitation solely in order for me to qualify for residence in Denmark.

Address (street, number, post code, and city)

12. Declaration of active participation in Danish language learning and integration into Danish society, in accordance with section 9(2) of the Danish Aliens Act

This declaration is intended to stress the importance of a good knowledge of the Danish language, Danish culture, and Danish society for new immigrants. The declaration is formulated especially for applicants who do not have prior knowledge of or particular qualifications for being familiar with the Danish language, culture and society.

I declare that, to the best of my abilities, I will make active efforts to ensure that I and my children (if any) acquire Danish language skills and integrate into Danish society. I therefore declare as follows:

- I will make active efforts to learn the Danish language
- I will make active efforts to acquire an understanding of the fundamental norms and values of Danish society
- I will make active efforts to participate in the life of the community

- I understand that in order to obtain a permanent residence permit or citizenship, I must pass a Danish language test
- I am aware that the DKK 51,714.40 (2014 level) guarantee normally lodged by my spouse / cohabiting partner in connection with my application for a Danish residence permit upon request will be reduced

 - by DKK 10,000 if I within 15 months after I have registered with the Central Person Register (CPR) pass a test in Danish at A2 level (or another Danish test at a similar or higher level)
 - by DKK 10,000 - however the guarantee must constitute at least DKK 10,000 - if I pass a final Danish language test
- I am aware that in Denmark principles apply such as the need for respect and for equal opportunities for girls and boys to develop; that adults are obliged to listen to their children; and that corporal punishment is prohibited. Moreover, I am aware that schools are subject to principles governing participation by students and parents in the decision making process and co-operation between parents and school

13. Other declarations

A. Sworn declaration of correctness

I solemnly swear that the information I have given in this application is correct and complete.

If the information is found to be false or incomplete, I am subject to the following penalties:

- Fine or imprisonment of up to two years (Criminal Code section 161, cf. Aliens Act section 40).
- I can be required by law to repay the expenses incurred by the Danish state as a consequence of the false or incomplete information (Aliens Act section 40).
- My residence permit can be revoked (Aliens Act section 19).

B. Declaration of consent to allow authorities to gather necessary information

I consent to letting the relevant authorities obtain and pass on information about my private affairs for the purpose of enabling them to process my application (Public Administration Act section 29 and Act on Processing of Personal Data section 6-8 and section 27). Information can be obtained from or passed on to other Danish and foreign public authorities, including the police authorities.

Such information includes:

- Previous criminal proceedings against me.
- My familial relations.
- Verification that the documents submitted with my application are genuine.

I also consent to giving authorities contacted by the Danish Immigration Service while processing my application permission to gather information about my private affairs for use in responding to the Immigration Service's enquiry.

C. Notification that information can be passed on to Danish intelligence agencies and prosecuting authority

The information and documents that you submit with your application can be passed on to Danish intelligence agencies and the Danish public prosecuting authority (Aliens Act section 45 a and section 45 c). This process can be initiated by Danish immigration authorities, Danish intelligence agencies or the Danish public prosecutor.

The prosecuting authority will be able to use the information to evaluate whether there are grounds for prosecuting you for crimes committed in Denmark or abroad, to identify victims of or witnesses to a specific crime, or to aid foreign law

enforcement agencies.

D. Notification that some information will be passed on to local Danish authorities

Danish immigration authorities give certain information to authorities in the municipality (kommune) where you will live, should you be given a residence permit or are issued a registration certificate or residence card based on EU regulations (Aliens Act section 44a).

The municipality will also be informed if

- your residence permit is not renewed at a later point or has been revoked,
- your residence permit is found to be lapsed, or
- your residence permit is made permanent.

Finally, the municipality where you live will have access to information about you contained in the Danish immigration authorities' registers if the information is necessary for it to carry out its duties.

The municipality will have access to data contained in the Danish Immigration Service's registers required for processing your case, including:

- Information about existing and other earlier grounds for residence.
- Information about the status of your application, including the date it was submitted, type of application and whether a decision has been appealed, etc.
- Information regarding your progress in Danish classes.
- Information about municipalities where you have previously resided.

E. Notification that Danish authorities have registered information about you and your affairs

The information you supply or have supplied in connection with your application for a passport will be registered in the Danish immigration authorities' registers. The same holds true for any information you give in conjunction with an application to extend your residence.

If you receive a residence permit, it will be registered in the Central Person Register. The Central Person Register is a computerised register maintained by the Ministry of Economic Affairs and the Interior.

The information in the Danish immigration authorities' registers and the Central Person Register will be used to answer questions relating to your residence in Denmark (Act on Processing of Personal Data section 6-8). State Administration (record keeping), the police (record keeping and verification) and the Immigration Appeals Board (reviewing complaints) will have access to the information about you contained in the Danish immigration authorities' registers and the Central Person Register. In addition, other authorities and private organizations can have access to this information (Aliens Act section 44a).

You are obligated to provide the information necessary for deciding whether you are eligible for a Danish residence permit (Aliens Act section 40). Failure to provide the information can result in a fine or up to one year imprisonment, as well as placing your residence permit in jeopardy (Aliens Act section 60). You are entitled to right of access to the information about you in the Danish immigration authorities' registers and the Central Person Register. Enquiries about this can be addressed to the Danish Immigration Service, Ryesgade 53, DK-2100 Copenhagen Ø.

The fingerprints recorded for use on your residence card will be deleted from the Danish immigration authorities' registers no later than 90 days after your residence card has been issued or your application has been turned down

F. Information regarding possible verification by the authorities of the information you have supplied

The Immigration Service may seek to verify the accuracy of the information you have given in this application. This may happen while the application is being processed or later, if you are granted a permit. If you are granted a permit and the Immigration Service finds that you no longer meet the requirements of your residence permit, your permit may be revoked. Verification may be conducted at random and is not necessarily an indication that the Immigration Service suspects you of providing false information, or of not meeting the requirements of your residence permit.

Verification may involve the following:

- Checking public registers, such as the Central Person Register.
- Comparison of information contained in the Danish immigration authorities' registers with records held by the Central Office of Civil Registration (CPR Office), the Buildings and Housing Registry (BBR) or the income registry.
- Contacting other authorities, such as municipalities.
- Contacting third parties, such as employers or places of study.
- Turning up in person at your residence, place of study or workplace.

You may be asked to supply additional information as part of the verification process.

G. Information about possible consequences if you apply for a residence permit while in Denmark on a visa (short term)

If you are staying in Denmark on a visa (short term) and you submit an application for a residence permit in this country, you need to be aware that it may have the following consequences:

- You can become ineligible for a visa for five-years (Aliens Act section 4 c).

However, the abovementioned consequences do not apply in the following cases:

- If you are a child under 15 or a spouse applying for **family reunification**.
- If you apply for a residence permit in order to **study**.
- If you apply for a residence permit in order to participate in the **cities of refuge program**.
- If you apply for a residence permit on the grounds of **work**, and you **meet the requirements** to obtain a permit.

Checklist

If your application for family reunification with your spouse is correctly filled out and contains the required documents, the Immigration Service can process your case with the shortest possible processing time. The expected maximum processing time (service goal) for applications for family reunification of spouses can be found on the front page of this application packet or at www.newtodenmark.dk/servicegoals.

If your application is not correctly filled out or is missing documents, it can be refused in accordance with the Danish Aliens Act, or the processing time may be longer. It is therefore important that you make certain that the forms are filled out correctly and that you have included the necessary documents before submitting your application.

We recommend using the checklist below to verify that the application is complete and correct.

Before submitting your application, please ensure you have included the following documents:

- ☐ Copy of your passport (all pages including cover) or a copy of your ID card (EU citizens only).
- ☐ Copy of marriage certificate with an authorised translation to Danish or English.
- ☐ Documentation of cohabitation. Only required of couples that are not married. Such documentation includes a rental agreement showing joint tenancy, letters received at the same address, statements from landlords or employers, etc.
- ☐ Documentation for completed A1-level test in Danish.

It is also important to

- ☐ answer all questions, and
- ☐ sign and date the application.

Furthermore, it is important that you

- ☐ Remember to have your biometric features recorded within 14 days of your application being submitted.
- ☐ Remember to bring your passport when you submit your application.

Biometric features required on residence cards

If you submit your application in Denmark or in a country where Denmark has a diplomatic mission, you must appear in person to have your biometric features (digital facial image and fingerprints) recorded.

If you submit your application at the diplomatic mission of a country with which Denmark has a representation agreement, you must appear in person to submit two facial images. Upon arrival in Denmark, your biometric features (digital facial image and fingerprint) will be recorded.

If you send your application by post or fax or if it is submitted by a third-party such as a lawyer, you must appear in person to have your biometric features recorded **within 14 days** of the application being submitted. If you reside in a country where Denmark has a representation agreement with another country's diplomatic mission, you must appear in person to submit two facial images **within 14 days** of submitting your application. When you appear to have your biometric features recorded or to submit your facial images, please remember to bring a photocopy of the first three pages of your completed application form. This will allow the immigration authorities to match your biometric features with the application. **Please note** that the processing of your application will not begin until your biometric features are submitted.

If you do not agree to have your biometric features recorded in connection with the application being submitted in Denmark or at a Danish diplomatic mission, your application will be **rejected**. If the application is submitted at another country's diplomatic mission with which Denmark has a representation agreement, and you do not submit two facial images, it will likewise be rejected. If you are not physically capable of providing fingerprints, you will not be required to do so.

Please **bring your passport** or other form of travel documentation when having your biometric features recorded or when submitting your facial images. In addition to your biometric features, your signature will also be recorded. Facial images and fingerprints are stored on a microchip embedded in the residence card.

Biometric features can be recorded at the Immigration Service's Citizen Service. If you live outside Greater Copenhagen, your biometric features can also be recorded at some police stations. A list of the police stations capable of recording biometric features can be found at www.newtodenmark.dk/residencecard. If you live abroad, the website of the Danish Ministry of Foreign Affairs contains a list of embassies and consulates, as well as Danish representation agreements with other countries' diplomatic missions (um.dk).

1. Marriage

PLEASE COMPLETE IN CAPITAL LETTERS

Complete section 1 only if you are married. If you are **not** married, go directly to section 2.

Danish legislation requires that we determine whether:

- Your marriage is valid under Danish laws.
- The marriage is forced.
- The marriage is pro forma, i.e. with the primary reason of obtaining a residence permit for the applicant.

Please note: According to Danish law marriages conducted by proxy (where one or both spouses were not present during the ceremony) are invalid. Marriages conducted by a religious cleric and without legal authority are also considered invalid. Such unions can therefore not be used as a basis for family reunification.

The questions below are intended to help us determine whether your marriage can be claimed as grounds for family reunification. We ask these questions in all applications, and we ask only questions that are relevant for processing an application for family reunification for spouses.

When did you first meet your spouse?

How did you meet your spouse?

If you and your spouse met on the internet, when did you meet for the first time in person?

Did you decide for yourselves that you should marry? ☐ Yes ☐ No

If not, who did?

When was the decision made?

If you lived together before marrying, please state when

If you have not lived together, please explain how often and under what circumstances you have maintained contact with your spouse

If no, who planned your wedding?

Where and when did you marry?

Were you both present at the ceremony? ☐ Yes ☐ No

How have you kept in contact since being married?

When did you last see each other?

Which language do you speak together?

According to Danish law, the Immigration Service cannot normally give permission for family reunification if it is doubtful whether the marriage has been mutually agreed to by both parties.

If you and your spouse are closely related, the Immigration Service will consider it doubtful that the marriage has been entered into with the consent of both parties, unless special reasons suggest otherwise. Use the space below to state any reasons you believe contradict the assumption that your marriage has not been entered into voluntarily by you and your partner.

Are you and your spouse direct descendants of the same grandparents or siblings of a grandparent? This group comprises relations such as the children of grandparents (uncles and aunts), the grandchildren of grandparents (cousins), the great-grandchildren of grandparents (the children of cousins), the children of grandparents' brothers and sisters (cousins of parents) and the grandchildren of grandparents' brothers and sisters (second cousins) or through stepparents or their relatives.

If yes, please provide the following information:

Given name(s) and surname	CPR number	Nationality

6. Children from previous relationships living in Denmark

PLEASE COMPLETE IN CAPITAL LETTERS

Below are a series of questions about any children you may have from any previous relationships. The questions about children from previous relationships are asked to determine whether you can receive an exemption from some of the requirements for family reunification of spouses (e.g. the collateral requirement).

If you have children from a previous relationship, please note that we may contact the father/mother of these children in order to confirm the information you have given.

If you request that the Immigration Service **not** take into consideration your children from a previous relationship when processing your case, please state this below. If you state this, it will not be necessary for the Immigration Service to contact the father/mother of your children from a previous relationship. However, you should note that the consequence will be that the Immigration Service will **not be able to grant you an exemption to some of the requirements on the grounds of your children from a previous relationship**. In other words, you will be expected to meet all the normal requirements for family reunification. For example, you and your spouse/partner's combined attachment must be greater than your combined attachment to any other country, you may not have received public assistance, you must have a suitably large residence and you must post a monetary guarantee.

Do you have any children under the age of 18 from a **previous relationship** living in Denmark? ☐ Yes ☐ No

☐ I do **not** wish for the Immigration Service to take into consideration that I have a child from a previous marriage. I understand that this wish means that I normally will be required to meet all conditions for family reunification.

If you wish the Immigration Service to take into consideration that you have children from a previous marriage, please give your consent in section 6.A that the Immigration Service can pass on information that you are involved in an application for residence permit. This consent is given by signing the declaration below. In addition, you are asked to fill in section 6.B with information about each of your children from a previous marriage.

6.A Declaration of consent for disclosure of information

I hereby give my consent that the Immigration Service can pass on information that I am involved with an application for residence permit to the other parent of my children who resides in Denmark.

About sections 7.A-B, 8 and 9

Normally, you and your spouse / cohabiting partner must meet certain requirements in order for your spouse / cohabiting partner to qualify for a residence permit. Such requirements include your attachment to Denmark being stronger than your attachment to any other country, that you have not received public assistance, that you have a suitably large residence and that you post a monetary guarantee. Sections 7.A-B, 8 and 9 ask questions relating to these matters.

In certain cases, the Immigration Service can provide exemptions from these requirements if

- you have **custody** of or **rights to visitation** with a child under the age of 18 living in Denmark. It is a requirement, however, that visitation occurs and that it meets minimum requirements, or
- you have a Danish residence permit as a **refugee**, and the Immigration Service decides that you and your spouse / cohabiting partner cannot be requested to live together as a family in another country.

If you are employed in a field listed on the **Positive List**, the Immigration Service can waive the 24-year requirement and the attachment requirement. If you would like the Immigration Service to take into account that your position is included on

the Positive List, please fill out section 7.B and **attach documentation** in the form of your academic diploma and employment contract, or an actual job offer. You can read more about which fields are included on the Positive List at www.newtodenmark.dk/positivelist.

Determining whether you are exempt from the normal requirements for reunification with a spouse can be difficult. If you choose not to complete sections 7.A-B, 8 and 9, and the Immigration Service later determines that you are not exempt from the requirements, it will be necessary for us to obtain further information. This means that the processing time may be longer. Therefore, we recommend that you fill out sections 7.A-B, 8 and 9 regardless of your situation.

7.A Attachment to Denmark

PLEASE COMPLETE IN CAPITAL LETTERS

In order for your spouse/cohabiting partner to be granted a Danish residence permit, the Immigration Service normally requires that your combined attachment to Denmark is stronger than your combined attachment to any other country. However, this requirement does not apply if you 1) have had Danish citizenship for more than 26 years or 2) were born in Denmark and have lived here uninterrupted for at least 26 years or 3) moved to Denmark before turning six and have now lived here uninterrupted for at least 26 years. If one of the above-mentioned statements applies in your case, you do not need to answer questions about your attachment to Denmark.

I am not required to answer questions about our attachment to Denmark because I (check the applicable statement):

- ☐ Have been a Danish citizen for more than 26 years
- ☐ Was born in Denmark and have lived here uninterrupted for at least 26 years (i.e. I have not travelled outside of Denmark for more than a short period of time)
- ☐ Moved to Denmark before I turned six, and have now lived here uninterrupted for at least 26 years (i.e. I have not travelled outside of Denmark for more than a short period of time)

If one of the above applies in your case, you do not need to fill out section 7. A-B and may skip to section 8.

All foreigners who move to Denmark normally need to support themselves without receiving public assistance. I.e. you and your spouse / cohabiting partner must be financially self-sufficient. In order to prove that you meet this requirement, you must attach a statement from your municipality (kommune) declaring that you have not received financial assistance under the terms of the Active Social Policy Act (lov om aktiv socialpolitik) or the Integration Act (integrationsloven) within the past three years.

Included in this form is a request for such a statement. This request must be sent or handed in by you to your municipality. The municipality will fill out and send the statement to you, which you must include when submitting this form.

If you are not married you must sign and attach a declaration that you will financially support your cohabiting partner (Attachment 3).

9. Residence

PLEASE COMPLETE IN CAPITAL LETTERS

In order for your spouse / cohabiting partner to be granted a Danish residence permit, it is normally required that you have a reasonably sized residence. Below are questions relating to your residence.

Please note: If you rent your residence and the landlord himself rent the residence, you do not meet the housing requirement. If you rent and the landlord is a member of a co-operative, you only meet the housing requirement if you can document that you can remain at the residence for an unlimited period and that this is not contrary to the co-operative association's rules. If you are in doubt as to whether your landlord rent or own the residence, please contact the landlord prior to answering the questions concerning residence. If you live with your parents or other family you must document – in form of a rental contract – that you have a part of the residence at your disposal.

Attachment 4 (in Danish only): De overførte betingelser for permanent (tidsubegrænset) opholdstilladelse

Hvem skal udfylde dette bilag?

Du skal kun udfylde dette bilag, hvis du har

- permanent (tidsubegrænset) opholdstilladelse på baggrund af en ansøgning indgivet før den 26. marts 2010 og ikke er flygtning, *eller* du har
- opholdstilladelse på baggrund af et stærkt tilknytningsforhold til Danmark.

Du skal altså **ikke** udfylde dette bilag, hvis du er

- dansk statsborger,
- norsk, svensk, finsk eller islandsk statsborger,
- flygtning i Danmark med opholdstilladelse efter udlændingelovens §§ 7-8, *eller* du har
- en permanent (tidsubegrænset) opholdstilladelse på baggrund af en ansøgning indgivet fra og med den 26. marts 2010.

Hvorfor skal du udfylde dette bilag?

Det er normalt en betingelse for ægtefællesammenføring, at du (ansøgers ægtefælle/samlever i Danmark) opfylder en række betingelser, der er overført fra reglerne om permanent (tidsubegrænset) opholdstilladelse. For at Udlændingestyrelsen kan vurdere, hvorvidt du opfylder disse overførte betingelser, bedes du udfylde dette bilag.

Hvilke overførte betingelser fra reglerne om permanent opholdstilladelse skal du opfylde i forbindelse med din ægtefælles ansøgning om opholdstilladelse?

- Du skal have boet lovligt i Danmark i mindst 5 år.
- Du må ikke have begået kriminalitet (af en vis grovhed).
- Du må ikke have forfalden gæld til det offentlige, medmindre der er givet henstand med hensyn til tilbagebetalingen af gælden, og gælden ikke overstiger 106.428,24 kr. (2014-niveau).
- Du må ikke have modtaget offentlig hjælp/social bistand (efter lov om aktiv socialpolitik eller integrationsloven) i de sidste 3 år forud for indgivelsen af ansøgningen om ægtefællesammenføring, og indtil ansøger vil kunne meddeles opholdstilladelse.
- Du skal have bestået Prøve i Dansk 1 eller en danskprøve på et tilsvarende eller højere niveau.
- Du skal have haft ordinær fuldtidsarbejde (mindst 30 timer om ugen) i Danmark i mindst 3 år inden for de sidste 5 år, eller ordinær deltidsarbejde (15-29 timer om ugen) i Danmark i 5 år, eller været fuldtidsstuderende i mindst 3 år indenfor de sidste 5 år, eller en kombination af fuldtidsarbejde, deltidsarbejde og uddannelse.

1. Persongrupper, der har et stærkt tilknytningsforhold til Danmark

Har du opholdstilladelse i Danmark på baggrund af **tidligere dansk statsborgerskab** (indfødsret), **dansk afstamning** eller **tilhørsforhold til det danske mindretal i Sydslesvig eller Argentina**.

☐ Ja ☐ Nej

Hvis **ja**, behøver du kun udfylde pkt. 2, 4, 10 og 11. Hvis du har opholdstilladelse på baggrund af **tilhørsforhold til det danske mindretal i Argentina** og har fået opholdstilladelse efter den 1. juli 2006, skal du dog **også udfylde** pkt. 6-9 om beskæftigelses- og uddannelsesmæssige forhold.

2. Erklæringer på tro og love om gæld til det offentlige

Du må ikke have forfalden gæld til det offentlige. Gæld er forfalden, når det tidspunkt, hvor det offentlige har krav på betaling af gælden eller dele heraf, er overskredet.

Du kan dog opfylde de overførte betingelser for permanent (tidsubegrænset) opholdstilladelse på trods af forfalden gæld til det offentlige, hvis den manglende afvikling af den forfaldne gæld skyldes, at der er givet henstand med gælden. Det er dog en forudsætning, at gælden ikke overstiger 106.428,24 kr. (2014-niveau).

Følgende typer gæld er omfattet:

- Tilbagebetalingspligtige ydelser efter lov om social service eller lov om aktiv socialpolitik

- Daginstitutionsbetaling
- Tilbagebetaling af for meget udbetalt boligstøtte
- Tilbagebetaling af boligtilskudslån
- Skatter og afgifter, medmindre skatte- eller afgiftsrestancen skyldes forhold, der ikke kan lægges ansøgeren til last

Det har ingen betydning, om der er aftalt en afdragsordning, som overholdes.

(sæt kryds)

A. ☐ Jeg **erklærer på tro og love**, at jeg **ikke** har forfalden gæld til det offentlige, som er omfattet af ovenstående gældstyper.

Hvis du har sat kryds i B, bedes du erklære følgende:

D. ☐ Jeg **erklærer på tro og love**, at min gæld til det offentlige udgør _____ DKK.

3. Erklæringer på tro og love om modtagelse af offentlig hjælp

For at opfylde de overførte betingelser for permanent (tidsubegrænset) opholdstilladelse må du ikke have modtaget offentlig hjælp efter lov om aktiv socialpolitik eller integrationsloven inden for de sidste 3 år.

Modtagelse af hjælp i form af enkelttydelser af mindre beløbsmæssig størrelse, der ikke er direkte relateret til forsørgelse, eller modtagelse af ydelser, der kan sidestilles med løn eller pension eller træder i stedet herfor, er dog ikke til hinder for at opfylde kravet.

Du bedes nedenfor erklære på tro og love, hvorvidt du har modtager offentlig hjælp inden for de seneste 3 år.

(sæt kryds)

A. ☐ Jeg **erklærer på tro og love**, at jeg **ikke** inden for de seneste 3 år fra indgivelsen af ansøgningen om ægtefællesammenføring har modtaget offentlig hjælp efter lov om aktiv socialpolitik eller integrationsloven og fortsat ikke modtager dette.

Hvis der er uoverensstemmelser mellem dine oplysninger og oplysningerne i SKATs indkomstregister, vil du blive partshørt om dette.

9. Erklæring på tro og love om uddannelse

UDFYLDES MED BLOKBOGSTAVER

Kravet om mindst 3 års fuldtidsbeskæftigelse inden for de sidste 5 år, kan opfyldes helt eller delvist med uddannelse. Følgende typer af uddannelse kan medregnes i vurderingen af, om du opfylder de overførte betingelser for at få permanent opholdstilladelse:

10. Handicap og eventuelle andre forhold

UDFYLDES MED BLOKBOGSTAVER

I det omfang Danmarks internationale forpligtelser, herunder FN's Handicapkonvention, tilsiger det, vil en eller flere af betingelserne for at få permanent (tidsubegrænset) opholdstilladelse kunne fraviges.

Dette er fx muligt, hvis du har et handicap, der forhindrer dig i at opfylde en eller flere af betingelserne.

Danmarks forpligtelse til at beskytte kvinders rettigheder kan føre til, at kravet om ikke at have modtaget offentlig hjælp efter lov om aktiv socialpolitik eller integrationsloven fraviges. Det kan eksempelvis være tilfældet, hvis behovet for hjælp er opstået som følge af, at du er gået på barselsorlov fra et job og efter endt barsel skal vende tilbage til arbejdsmarkedet.

A. Har du et handicap, der forhindrer dig i opfyldelse af en eller flere af de overførte betingelser for at få permanent (tidsubegrænset) opholdstilladelse?

☐ Ja ☐ Nej

Hvis **ja**, hvilket handicap, og hvordan forhindrer det dig i at opfylde en eller flere af betingelserne?

Der skal vedlægges dokumentation – fx i form af lægeerklæring eller lignende – for, at du har et handicap, som bevirker, at du ikke kan opfylde de overførte betingelser for meddelelse af permanent (tidsubegrænset) opholdstilladelse.

B. Er der andre forhold, som Udlændingestyrelsen bør være opmærksom på i forbindelse med behandlingen af ansøgningen om ægtefællesammenføring?

☐ Ja ☐ Nej

Hvis **ja**, hvilke forhold?

Relevant dokumentation skal vedlægges.

11. Erklæring
